

**Friends and Family Test**

Apr-16

How likely are you to recommend our GP practice to friends and family if they needed similar care or treatment?

|                                    |          |
|------------------------------------|----------|
| <b>Extremely Likely</b>            | <b>7</b> |
| <b>Likely</b>                      | <b>1</b> |
| <b>neither likely nor unlikely</b> | <b>0</b> |
| <b>unlikely</b>                    | <b>0</b> |
| <b>extremely unlikely</b>          | <b>3</b> |
| <b>don't know</b>                  | <b>0</b> |

Can you tell us why you answered in that way?
