

**Friends and Family Test**

Oct-17

How likely are you to recommend our GP practice to friends and family if they needed similar care or treatment?

<b>Extremely Likely</b>	<b>104</b>
<b>Likely</b>	<b>27</b>
<b>neither likely nor unlikely</b>	<b>8</b>
<b>unlikely</b>	<b>3</b>
<b>extremely unlikely</b>	<b>10</b>
<b>don't know</b>	<b>4</b>

Can you tell us why you answered in that way?
