

## Friends and Family Test

Oct-16

How likely are you to recommend our GP practice to friends and family if they needed similar care or treatment?

<b>Extremely Likely</b>	<b>80</b>
<b>Likely</b>	<b>29</b>
<b>neither likely nor unlikely</b>	<b>3</b>
<b>unlikely</b>	<b>4</b>
<b>extremely unlikely</b>	<b>9</b>
<b>don't know</b>	<b>1</b>

Can you tell us why you answered in that way?

could do with some kids books putting out

I live in the morley area and can't get into a Drs there, I asked if I could come back as a patient. Receptionist was very rude and unhelpful.
